

SIRENS to be TESTED throughout the day Tuesday, November 20 starting at 9:00 a.m.

Emergency Warning Sirens on the Department of Energy's Oak Ridge Reservation will be sounded at various intervals throughout the day November 20. This test will allow for transition to a new radio system and for the installation of new sirens at the Oak Ridge National Laboratory.

- This Is Only A Test -

Regular siren testing will resume on December 5th at noon.
